## SEC. 5. SENSE OF CONGRESS REGARDING TAX REVENUES AND DEFICIT REDUCTION.

It is the Sense of Congress that any legislation enacting tax increases called for in this Budget Resolution contain language providing that the next revenues generated by the legislation shall not be counted for

the purpose of calculating the amount of any deficit increase called for in Section 252(b) of the Balanced Budget and Emergency Deficit Control Act of 1985 as amended by the Omnibus Budget Reconciliation Act of 1990.

#### SEC. 6. SPECIAL PROCEDURES.

Pursuant to section 301(b)(4) of the Congressional Budget Act of 1974, as amended, the appropriate committees of the Congress are hereby instructed to report to their respective Houses, not later than May 1, 1993, for the purposes of implementing and enforcing the reductions in spending and deficits as provided for by this resolution, and to be effective for the fiscal years covered by this resolution, the following:

(a) a constitutional amendment requiring a balanced budget;

(b) legislation giving the President enhanced rescission, line-item veto authority subject to disapproval only by the enactment of a joint resolution of the Congress; and

(c) legislation establishing Maximum Deficit Amounts identical to those contained in this resolution and procedures for triggering sequestration when actual deficits exceed such amounts.

#### SEC. 7. TAXPAYER DEBT BUY-DOWN.

In order to reduce the deficit in fiscal years 1994 through 1998 by avoiding the debt service cost that attend the public debt by retiring portions of that debt and further reducing the deficit by providing the public with an opportunity to get dollar-for-dollar deficit reduction for each dollar contributed to debt retirement—

(1) the Committee on Ways and Means shall submit recommendations by August 1, 1993, to the House of Representatives—

(A) proposing changes in law to allow taxpayers to designate up to 10% of their income tax liability to reduce the public debt; and

(B) establishing a public debt reduction trust fund in the Treasury of the United States to receive those designated funds to buy back the public debt; and

(2) the Committee on Government Operations shall submit recommendations by August 1, 1993, to the House of Representatives proposing changes in law—

(A) providing automatic annual sequestrations (except social security, interest on the public debt, and deposit insurance) equal to the estimated aggregate amount of money deposited in the public debt reduction trust fund; and

(B) providing Congress with the authority to propose reductions in spending to avoid any across-the-board annual sequestration referred to in subparagraph (A).
